Your membership subscription can now be paid as a Gift Aid donation!

The government Gift Aid Scheme for all taxpayers, is a simpler way of allowing charities to claim back tax on donations or subscriptions. Your signature on the form below is all it takes: your membership subscription of £30 then becomes a Gift Aid donation and the Society can reclaim £7.50 in tax, at absolutely no extra cost to you. There is additional tax to claim under transitional relief rules until April 2011, which translates into the Government giving us an additional 3p in the £1

After completing the declaration please return it to the Society at the above address.

There is a requirement that donors pay an equivalent amount of income or capital gains tax that the Society reclaims on their subscription, i.e. a minimum of £7.50. Donors who pay tax at the higher rate will be able to claim higher rate tax relief for their Gift Aid donations against income tax or capital gains tax.

The new scheme is there to enable charities, like ourselves, to receive extra funding from the government. Please help us to make the most of it
